The Premier Event of NWA

Last year's Ball was a tremendous success, and this year's event will again feature a three-course dinner and a live auction, as well as incredible music. More than 1,300 guests are expected to attend.

The Charity Ball is one of the special events held each year by the Mercy Health Foundation. In the past 5 years these events have enabled the Foundation to gift back **\$1.3 million dollars** to the hospital to fund charity care, equipment, services, capital projects and education. Mercy Health System provided **16 million dollars in charity care** to persons seeking medical care in Northwest Arkansas.

We thank you for considering being a part of the 2009 Charity Ball and we hope this will be a long-lasting relationship.
